

# A LA CARTE CLASSES FOR DAYCARE

## MANNERS MATTER

Dogs get very excited whenever leaving their home, so we'll work with them to not charge the door when entering or exiting your house. We also correct their desire to jump on people at home or when you're out and about.

## WHO WALKS WHO?

Tired of your dog walking you? We'll fix how they react to being on leash during their daycare stay. We can also work with your dog if they are reactive to other dogs or people while on leash.

## EATING ETIQUETTE

Does your dog table surf? Do they circle your feet while you prepare their breakfast? We'll show them how to "wait" for their food, and not bother you while you eat yours.

*\*Your dog does not need to be enrolled in Etiquette School for Manners Matter, Who Walks Who or Eating Etiquette*

## TRAIN AND PLAY

Worried that what they learned in school will be forgotten during daycare? Each week they stay we'll reinforce the skills learned at our Etiquette School.

*\*Train and Play is for Etiquette School students only*

**THESE ONE-ON-ONE SESSIONS WITH OUR TRAINER ARE OFFERED DURING DOGGIE DAYCARE ONLY.
